

Drum/Shaker

What you will need:

- A plastic cup or bottle
- Paper
- Sellotape and Scissors
- colouring pens/pencils
- A resource for noise making- Pasta, rice, lentils.

How to make the game

- Take your plastic bottle and cut off the bottom carefully with your scissors, make sure there is enough room to add your noise making resource.
- Next take your piece of paper draw around the top then cut out adding a little extra to Sellotape around the rim.
- Colour in and decorate your cut-out piece of paper.
- Add some of your chosen resource to the cut-out bottle bottom.
- Tape your decorated piece of paper onto the bottle at the top.
- Now you have it a drum and shaker combo.
- Tap along and shake to your favourite song.
